## WEATHER TODAY COLLEGE OF HAWAII AND PUNAHOL OPEN; PUBLIC SCHOOLS READY

Improvements in Equipment buildings erected during the summer and Changes in Staffs Announced

The College of Hawaii begins its fifth year today at the new location in Manoa valley. During the summer the buildings formerly occupied by the college on Beretania street have been moved to the new location and will provide accommodations for the chemistry department and the shops of the engineering classes. All other work will be carried on in the new building recently erected.

While there will be only a few new lines of work added this year, the win. main advantages that will be enjoyed SAN FRANCISCO-Sailed, September by those who attend the college will
